CHAIRMAN'S WELCOME

Good afternoon and welcome to today's game!

Things are really starting to move in the right direction at Christchurch Football Club, both on and off the pitch. On the field, we've turned a big corner, and the performances are showing how far we've come. Instead of looking behind us, we're focused on climbing the table and proving a point to anyone who's doubted us. Every game matters now, and we'll give it everything starting with another tough test against Baffins Milton Rovers FC today. I've always believed in and had faith what's happening with our team. The hard work and disciplined approach to our games and training is starting to now show.

Off the pitch, we've brought in a new commercial manager this week who's hit the ground running with meetings lined up and another pitch side board secured.

The gates are growing, the buzz is back, and it's clear we're building something special here. Let's make some noise today and give the lads the lift they need against a strong side today. Together, we're showing what Christchurch Football Club is all about.

Up the Church!

DEVELOPMENT CENTRE NEWS

The Christchurch Development Centre continues to grow from strength to strength, now proudly supporting 50 young footballers across 3 age groups, with numbers increasing each week. This milestone reflects the Centres commitment to nurturing young talent and fostering a love of football in the local community.

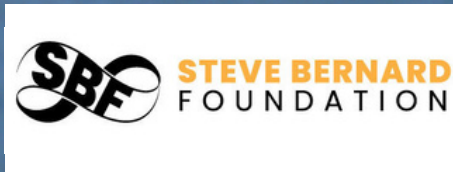

U14s play top of the league Wimborne Town FC today in the JPL, which will be a tough test for the lads, however, the performances the boys are putting in are showing a real progress from where they were at the beginning of the season.

Kit sponsor found for U10s home kit – more news on this when the kit is ready to be revealed. But we are excited for this and are planning friendlies with local sides in preparation.

U13's – Players are still wanted to assist with our U13s age group, if you know a talented and enthusiastic current U13 player and their looking for a new side then we would love to hear from their parents.

CLUB PARTNER SPONSORS

At M.A Hart we're really proud of our connections with the local community; after all we've been part of it for the last 50 years. As well as lending a hand to local charities whenever we're asked, we're also firm believers in grass roots sport.

As the South's leading asphalt and tarmacadam specialist we love being involved with local sport and are big supporters of a number of clubs and associations around Dorset.

We're probably best known as the primary sponsor of Bournemouth Football Leagues and it's Cup Competitions. This means we're able to use our position as the most recommended asphalt and tarmac contractors in Dorset and Hampshire to help raise the profile of the association, its clubs and competitions to try to encourage more participation and success on and off the pitch.

Most recently we've been announced as sponsors of Hurn Bridge, home to Christchurch Football Club of the Wessex Premier League. Now known as The M.A Hart Stadium we're proud to use our success to help promote grass roots sport.

STEVE BERNARD
FOUNDATION

THE STEPHEN BERNARD STAND

Welcome from the Steve Bernard Foundation, serving Sport-Remembering Steve.

The SBF was set up in memory of the affectionately named Stevie B following his tragic passing in a car accident in November 2005.

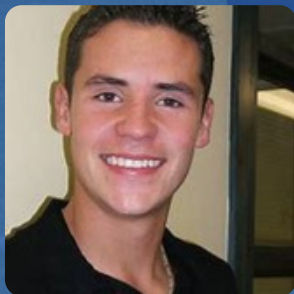

Following his death, his family and friends were inundated with support and donations. It seemed right, even in the earliest stages that these funds should go to that which Steve loved best, sport.

Since the foundation was formed in February 2006, it has gone on to **raise more than £700,000** for sporting projects based across Bournemouth, Dorset and the South Coast.

To date, the foundation has **supported more than 900 projects** covering more than **60 different sports and across 4 continents**.

The foundation, run entirely by volunteers, has offered guidance, financial support and predominantly equipment to a range of good causes.

Everything which has been achieved has been guided by Steve's memory and an incredible passion for sport, we love what we do and we would love you to join us on our journey.

CHRISTCHURCH F.C HISTORY

Founded in 1885, Christchurch FC can claim to be one of the pioneers of Hampshire League football, as they were founding members of the Hampshire Football Association in 1887 following the dissolution of the South Hants and Dorset FA and the consequential formation of the Dorset FA.

Christchurch's first honours came in 1893 when they won the Hampshire Junior Cup. The team was known locally as the "Can't Whack Ems" and further successes were achieved in the competition in 1912 and 1921. Between the wars, Christchurch were members of the Bournemouth and Hampshire County Leagues and in 1938 gained promotion to Hants 1 for the first time by winning the Hants 2 championship.

Like most clubs of long standing, Christchurch has enjoyed mixed fortunes during their history, they have been relegated to Hants 2 & 3 and then climbed back to the top sphere again, winning Hants 2 again in 1948 and 1986 and Hants 3 in 1953.

In 1970 Christchurch gained the distinction of being the 1st club to win the Bournemouth Senior Cup 3 times in successive seasons, won the Bournemouth Pickford Cup in 1977 and in 1987 won the Hampshire Intermediate Cup. Christchurch gained admission to the Wessex League in the 1987/88 season and they are one of the few clubs still retaining their amateur status.

Despite competition from neighbouring clubs, they still succeed in attracting a loyal band of players to Hurn Bridge with its excellent playing surface, envied by many and the superb floodlights that have been upgraded to almost 300 LUX giving one of the brightest readings in non-league football.

Christchurch's long association with Barrack Road Recreation ground, in the centre of the town, ended at the start of the 1984/85 season when the club accepted the opportunity provided by Christchurch Borough Council to move its headquarters to Hurn Bridge with its excellent clubhouse facilities. The sports ground was formally owned by British Aerospace and a substantial investment was made initially by the council, Football club and Sports club on various ground improvements, including the provision of floodlights, covered accommodation for spectators and 2 extensions to the club house.

Bournemouth FA have established their headquarters at Hurn Bridge and in 1994 Dorset County Cricket also built their indoor cricket school on the site. Christchurch Cricket Club also play at the ground in the Dorset County cricket league At the start of the 1995/96 season, the football club built a new 200 seat cantilever stand.

In April 2003, Poole Sports Charitable Trust opted to use the get out clause in the long-term lease they had agreed with Christchurch Council for running the Hurn Bridge site. This led to the long-term lease for the entire complex being offered and eventually assigned to Christchurch Football Club Ltd a totally separate operation from the playing side.

Christchurch Football club is now seeing the benefits of a strong youth policy with many of the youth players now holding regular positions in the first team. The club is very pro-active in youth development and has 7 teams playing in leagues from the age of 8 up to 15 years old, a very successful under 18's set up plus a thriving ladies team in the county league, Christchurch Football Club now has 11 teams under its umbrella operating at all levels up to the Sydenhams Football League.

This season we will have 2 teams in the Hampshire Youth League Season 2011/12 was one of the best ever at the club at senior level with the 1st team finishing in their highest SWL position, an excellent 3rd place with their highest ever points total of 85 points, reaching the final of the Russell Cotes Cup to be beaten narrowly by Bemerton Heath Harlequins, winning the Sydenhams League Cup beating local rivals Brockenhurst, winning 'Club of the Month' four times in eight months over the course of the season and topping the Sydenhams Fair Play League in the season.

CHRISTCHURCH F.C HISTORY

The inaugural season of the Wyvern Combination League saw Christchurch finishing in sixth place a solid performance.

Season 2012/13 probably eclipsed the previous seasons Sydenhams Football League - Wessex performance to again finish a very creditable 3rd in the Premier league with only 2 teams winning more games, only 1 team lost fewer games and "The Church" were the 2nd highest goal scorers amassing a massive 106 goals scored, on only 3 league outings out of 40 did the team fail to score.

Season 2013/14 saw a change of management team with Michael Cuffie and Bob Sullivan taking the reins after manager Graham Kemp left for pastures new having had 6 very good years at the club. This season was one of consolidation in the Sydenhams Football League Premier division, with the reserves playing in the West regional division of the Wyvern League.

Yet again the Under 18's had a very successful season with a special mention for the excellent FA Youth cup run that only came to an end at Dartford FC an academy club.

Season 2014/15 saw a new management team with the very experienced Adie Arnold and Danny Saxby leading the 1st team. Unfortunately, at the end of a turbulent season the first team were relegated to division 1. At the beginning of season Fiona Legg took over at the Chair and after a poor start on the pitch Ollie Cherrett and Chris Hart replaced the previous management team.

Although an immediate return to the Premier Division did not occur, the set up at the football club progressed immensely. The new changing rooms opened, a development team played in the Wyvern League, the U18 side were currently champions of the Hampshire County youth league and optimism was abound regarding promotion for the first team. The Chairlady's 5-year plan to progress the club both on and off the pitch was on target, exciting times at Christchurch Football Club.

Season was successful, with the first team winning the Sydenham Football League (Wessex) First division, and the development team winning Wyvern League West Division. This saw the first team returning to Premier Division for season. Success continued on and off the football pitch with Majid Azzeddin returning as Chairman and with a 4th place in 2019/20 and 6th place in the Covid-19 curtailed seasons of 2019/20 & 20/21, with games in hand which could have seen us win the league on both occasions, also the latter season saw us have a good FA Cup run reaching the 3rd Qualifying Round beating Northern Premier League leaders Gloucester City enroute before losing to Dulwich Hamlet of the Southern Premier League on penalties in front of the BBC cameras which was broadcast live to the nation. The management team moved on when the Club declined the chance to go to Southern League.

The 21/22 season saw many changes on and off the pitch, Ben Hatch & Barney Gritt were replaced by caretaker Graham Kemp before Callum Brooks and Jay Keating stepped in and kept Christchurch FC in the premier Division. At the start of 22/23 season we welcomed Fawzi Saadi as manager and Diogo Almeida as his assistant, But unfortunately In July 2023 Fawzi and Diogo decided to leave the club to pursue opportunities elsewhere.

Now in the 23/24 Season we see the welcomed return of Ollie Cherrett and his management team to join Christchurch F.C on our new journey to 'Securing The Future'.

Recently in September 2023 Ollie and his management team decided to move to Bashley FC. Shortly afterwards Nathan Brown was confirmed as 1st Team manager, and is currently building our new squad.

Make sure you follow us on our socials, as we enter a new and exciting era for the club.....

BAFFINS MILTON ROVERS CLUB HISTORY

Baffins began life in the Portsmouth Saturday League Premier Division and lifted the division trophy in their first season, but it wasn't until the end of the 2012/13 campaign that the club were promoted to the Hampshire League, after finishing runners-up to Waterloooville Social Club.

The 2013/14 campaign saw Baffins win a treble as the club lifted the Hampshire League Premier Division trophy, beat Colden Common 4-0 to win the Hampshire League Cup and were victorious at Fratton Park against Moneyfields in the final of the Portsmouth Senior Cup.

Baffins obtained a 50-year lease from Portsmouth City Council for the northern section of Langstone Harbour Sports Ground in 2015.

The club carried out developments by adding a 120-seater stand, changing rooms, perimeter fence and concreting. The ground was officially opened during the friendly with Salisbury on August 3 2016.

After finishing as runners-up in the Hampshire League Premier Division the year after, the club were promoted after winning the division during the 2015/16 campaign, winning all but three matches. Baffins lifted the Portsmouth Senior Cup for a second and final time at the end of that campaign after a 3-1 victory over Havant & Waterloooville's College team in the final.

The football club made its debut at Wessex League level during the 2016/17 campaign after stadium upgrades saw Baffins accepted for the step up to tier-six. The first term at that level was a success for the club, finishing runners-up to Hamble Club, and winning promotion to the top flight of the Wessex League. A final appearance in the Wessex League Cup saw Baffins round off their promotion-winning campaign, but the club finished runners-up to then Premier Division Sholing.

Baffins have now completed five seasons at step-five level, with the highest finish coming during the 2018/19 campaign, finishing 5th place. The same season at the club reached their furthest round in the FA Vase, eventually losing to Cray Valley Paper Mills in the Fourth Round Proper, and won the Wessex League Cup after a 1-0 victory over Portland United at AFC Portchester's Wicor Recreation Ground.

Ahead of the 2022/23 Wessex Premier Division campaign, the club appointed former assistant manager Danny Thompson as first-team manager. And in his first campaign, his side finished 7th in the Wessex Premier and lifted the League Cup for the second time in the club's history. Tom Vincent, Miles Everett and Jason Parish all struck in the 4-2
